Dear Patrick and Eva,

On Wednesday, September 20, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered (1) a revision to the Master of Music in Piano Performance with attendant requests to modify Music 7805.01 and create new 7805.02 and (2) a request to create new course Music 6752.

I am pleased to inform you that the Panel unanimously approved all the requests.

The course requests are now advancing to the Graduate School and the Office of Academic Affairs. As for the revision to the Master of Music in Piano Performance, it will be discussed (and voted on) at the full ASC Curriculum Committee this Friday. I will let you know the result of the vote after the meeting.

Should you have any questions about this feedback, please contact Richard Fletcher (cc'd here), faculty Chair of the Arts and Humanities 2 Panel, or me.

My best,
Bernadette
