Dear Professor Tennant,

On Tuesday, September 12, the Arts and Humanities 1 Panel of the ASC Curriculum Committee considered a request to change the number of Philosophy 1850 (an existing course with GE Cultures and Ideas) to 2850.

The Panel approved the request with two contingencies and one recommendation:

- Contingencies:
 - P. 3 of syllabus: Policies concerning late work, extensions and plagiarism:
 - “F” does not exist at OSU. Please replace with “E.”
 - “Plagiarism or academic dishonesty will not only be reflected in your grade, but will also be reported to the Committee on Academic Misconduct.” One cannot penalize a student before they have been judged by the academic misconduct committee. The statement in the syllabus should be adjusted to reflect this.
 - Since this is a GE course, please include a current GE assessment plan.
- Recommendation:
 - Disability statement is not the most recent and Student Life Disability Services moved over a year ago. Please update to the most recent disability statement.

I will return the course via curriculum.osu.edu in a minute to enable the department to address the points above.

Should you have any questions about this feedback, please contact Janice Aski (cc'd here), faculty Chair of the Arts and Humanities 1 Panel, or me.

My best,
Bernadette
