Dear Jennifer, Bear, and Charles,

On Friday, September 15, the SBS Panel of the ASC Curriculum Committee considered new course requests for Political Science 4385(E), 4784(E), 7312, 7336, and 8000.

Please find below the votes of the Panel:

- 1) Political Science 4385 & 4385E: unanimously approved with three contingencies and one recommendation
 - Contingencies:
 - How will students obtain background knowledge of statistics and econometrics? Should there be a recommended prerequisite?
 - Please define what you mean by participation. (Does attendance count as well?)
 - Reaction papers and replication exercise: provide numbers of pages and include due dates in schedule.
 - Recommendation:
 - Include contact hours on syllabus.
- 2) Political Science 4784 & 4784E: unanimously approved with two contingencies and one recommendation
 - Contingencies:
 - Please define what you mean by participation. (Does attendance count as well?)
 - Provide more information for programming assignments and replication exercises. Include due dates in schedule.
 - Recommendation:
 - Include contact hours on syllabus.

- 3) Political Science 7312: unanimously approved
- 4) Political Science 7336: unanimously approved with one recommendation: Include contact hours on syllabus.
-
- 5) Political Science 8000: unanimously approved with one recommendation: Specify the day for office hours on syllabus.
-

I will return the courses that have contingencies to enable the department to address the points above. As for Political Science 7312, 7336, and 8000, these will be advanced to the Graduate School and the Office of Academic Affairs.

Please note that the E component of Political Science 4385E and 4784E has not yet been reviewed. This will be the purview of the ASC Honors Committee and then the University Honors Committee. We will send the E courses to these committees once the contingencies are resolved at the SBS Panel level.

Should you have any questions about this feedback, do not hesitate to contact Christina Roup, faculty Chair of the SBS Panel (cc'd here), or me.

Best,
Bernadette
