Laura:

The proposal from the Department of Statistics to establish an undergraduate major program in Statistics, leading to the Bachelor of Science degree, was approved by the [Chancellor, Ohio Department of Higher Education](#).

No additional level of review/approval is necessary. [The program may be implemented](#).

If you have any questions please contact me.

I know that this is an important new programmatic initiative for the Department and College. Congratulations!

Randy

W. Randy Smith, Ph.D.
