Dear Barry and Elizabeth,

On Wednesday, October 4, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal to add GE Cultures and Ideas & GE Diversity-Global Studies to Comparative Studies 3692 (an existing course).

The Panel unanimously approved the request with one comment: The disability statement is not the most recent and Student Life Disability Services moved over a year ago. Please update to the most recent disability statement. See <http://www.ods.ohio-state.edu/faculty-staff/syllabus-statement/>

I am including the usual reminder that the GE assessment plan will need to be implemented from the very first offering of the course with the new GE status and GE data gathered. After the second offering of the course with the new GE status, the Assessment Panel will ask the department to submit an initial report summarizing GE assessment results of those first two offerings (following the format in Appendix 9 of the ASC Curriculum and Assessment Operations Manual [p. 121] https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). The Assessment Panel and/or our office can help the department with any aspect of the GE assessment requirement. Shelby Oldroyd, ASC Curriculum and Assessment Assistant, will also make sure to contact the department before the course is offered and provide any assistance that may be needed with assessment. Could you please let the faculty member(s) know?

The course request will now continue through the approval process.

Should you have any questions about this feedback, please contact Richard Fletcher (cc'd here), faculty Chair of the Arts and Humanities 2 Panel, or me.

My best,
Bernadette
