Ryan,

This e-mail is to confirm the concurrence of the Department of Art with the proposal by MIP to make Art 2000 and Art 2555 options for the third pre-major requirement for undergraduate students interested in the major.

Michael

Subject: RE: MIP pre-major requirement change

Michael,

Thanks for getting back to me--Monday is great.

It looks like the form I sent you is the one used for course changes. I can't at the moment find one (if there is one) that's designated for a change to a major requirement, so, instead, you can just indicate your concurrence in an email, which I'll include with my proposal to the curriculum committee. Just indicate that you concur with our proposal to make Art 2000 and Art 2555 suitable options for the third MIP pre-major course.

Best,
Ryan
