Dear Ryan,

On Wednesday, October 18, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal to revise the BA Moving Image Production.

The Panel unanimously approved the request with one comment: Some students may still want to take Art 2555 because it is also a GE VPA (which means that students can double-count this course). In the current advising sheet, there actually should not be a separate slot for GE VPA (because students taking Art 2555 have also fulfilled their GE VPA requirement).

The revision to the BA Moving Image Production will next be taken up by the full ASC Curriculum Committee at its meeting on Friday, November 3.

Should you have any questions about the Panel's vote, please contact Richard Fletcher (cc'd here), faculty Chair of the Arts and Humanities 2 Panel, or me.

My best,
Bernadette
