Dear all,

On Wednesday, November 15, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal to revise the Online MA Art Education.

As you may already have heard from Shari, the proposal was unanimously approved with the following comments:

- First paragraph: “We have been advised by the Curriculum Committee to submit this as a new course...” It might be good to clarify that this is the Department Curriculum Committee since this proposal will be read by other curriculum committees.
- In the cover letter and the current advising sheet: Art Education 7200.10 “Introduction to Research Methodologies, Methods and Proposal Writing” changed titles to “Introduction to Research Methodologies and Methods” in Summer 2016. Please use current title in all documents.
- Art Education 7200.30 was recently approved by the Registrar’s Office. Please change language about the course being pending at the Registrar’s Office.

It would be best if those small points were taken care of before the full ASC Curriculum Committee review the proposal at its next meeting. Please email the revised document to me.

Let us know if you have any questions.

My best,  
Bernadette
