Dear Neil,

This week, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a new course proposal for Philosophy 2680 with GE Cultures and Ideas.

The Panel approved the course with one contingency and one recommendation:

- Contingency: GE assessment plan: The questionnaire should have a separate question for each Expected Learning Outcome (ELO) of the requested GE category. It is not clear how assessment differs for each ELO in the questionnaire. As for the final exam, the questions do not reflect or measure success in the ELOs.
- Recommendation: There is no absence policy. The Panel strongly recommends a clear statement of the implications (in terms of grade) of missing classes.

I will return the course via curriculum.osu.edu in a minute to enable the department to address the points above.

Should you have any questions about this feedback, do not hesitate to contact Janice Aski (faculty Chair of the Arts and Humanities 1 Panel; cc'd here), or me.

My best,
Bernadette
