Dear Cynthia and Julie,

The Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a new course proposal for Linguistics 1101 this week.

The Panel did not vote on the course but would like the following points addressed first:

- Please provide information regarding the overlap with the existing first-year seminar "Famous Voices." Clarify the need for two separate but very similar courses. Will students who have taken the first-year seminar be excluded from taking Linguistics 1101? If not, the courses are too similar to co-exist and one should be withdrawn.
- Please request concurrence from the Department of Speech and Hearing Science.

I will return the course via curriculum.osu.edu in a minute to enable the department to address the points above.

Should you have any questions about this feedback, do not hesitate to contact Janice Aski (faculty Chair of the Arts and Humanities 1 Panel; cc'd here), or me.

My best,
Bernadette
