Roger:

The proposal from the Department of Art to revise the requirements for the Master of Fine Arts (MFA) degree program was approved by the Council on Academic Affairs at its meeting on September 19, 2018. Thank you for attending the meeting to respond to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next **Annual Activities Report** to the University Senate (July 2019).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Eric Bielefeld (.6) or me.
