Dear Kirk and Debbie,

On Thursday, January 25, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a proposal for new course EALL 4200.

The proposal was unanimously approved by the Panel with the following recommendation: Disability statement is not the most recent one and Student Life Disability Services moved over a year and a half ago. Please update to the most recent disability statement. See p. 14 of the ASC Curriculum and Assessment Operations Manual

The course will now be advanced to OAA and OUR.

Should you have any questions about this feedback, do not hesitate to contact Janice Aski (faculty Chair of the A&H1 Panel), or me.

My best,  
Bernadette
