Jennifer,

On Thursday, January 25, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a proposal to change French 7102 from a Graduate course only to a Dual Career U/G course with updated number 5105.

The proposal was unanimously approved by the Panel with the following comment: It is not clear whether the grading scale applies to specific assignments or the whole course. On the one hand, a grading scale on a syllabus is supposed to apply to the whole course. However, in this case, the explanation provided for certain letter grades points toward individual assignments. (The observation was Janice's so she can explain if there are any follow-up questions.)

The course request will now be advanced to the Graduate School, OAA, and OUR.

Best,
Bernadette
