Dear Neil,

On Monday, February 12, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed course proposals for Philosophy 8001 and 8900.

The Panel did not vote on the proposals but would like the following questions addressed first: Why are those courses repeatable & for 8900 why is the course repeatable so many times? Also, please explain need for variable credit hours of the courses. (The syllabi do not explain when the courses are taken for 1, 2, 3, or 4 credits.)

I will return the courses via curriculum.osu.edu in a minute to enable the department to address those questions.

Should you have any questions about this feedback, do not hesitate to contact Richard Fletcher (faculty Chair of the A&H2 Panel; cc'd here), or me.

My best,  
Bernadette
