Dear Bill,

This note to let you know that the NMS Panel e-voted on the requested distance learning version of Math 2568 this week & approved the online version of the course.

The request has been advanced to OAA & OUR.

All best wishes,
Bernadette

Hi Bernadette,

I have attached the syllabus that was sent to Mike for approval. Please let me know if there is anything else that you need.

All the best,
Bill

Hello Bill,

The NMS Panel of the ASC Curriculum Committee started discussing the distance

learning request for Math 2568 at its meeting yesterday. However, it quickly appeared that the online syllabus (and schedule) uploaded in curriculum.osu.edu is not the version that Mike Kaylor (ASCTech) reviewed for the instructor & approved. That document appears to be about 10 pp. long, whereas the copy uploaded in curriculum.osu.edu is substantially shorter (perhaps a preliminary draft? The syllabus is also numbered 2568/4568—which nobody understood). Could you please obtain the final distance learning syllabus from the instructor for the course and send it to me? The Panel will then likely review it via an e-vote.

Many thanks,
Bernadette
