

## Revision AAAS BA

- AAAS is removing the tracks and the capstone course due to difficulty offering courses. The revised program will have 4 core courses and electives.
- **The Panel would like AAAS to provide a 4-year plan. This will also assist the department in advising students.**
- **The Panel believes adjustments need to be made to the program assessment plan:**
  - **The plan will only assess two individual courses and assess indirect methods.**
  - **Guidelines for creating a major assessment plan can be found on page 90 of the Curriculum and Assessment Operations Manual. Appendix 13 provides examples of direct and indirect assessment methods.**
