Dear Professor Sinnott,

On Thursday, March 22, the Natural and Mathematical Sciences (NMS) Panel of the ASC Curriculum Committee reviewed your proposal for a new first-year seminar, "Probability, Paradoxes, and Fishy Statistics."

I am happy to report that the Panel unanimously approved the seminar.

Should you have any questions about the panel review, do not hesitate to contact Chuck Daniels (faculty Chair of the NMS Panel, cc'd here), or me.

Todd Bitters, Director of the First-Year Seminar program, will be in touch with you for all the practical arrangements related to teaching the course.

Congratulations on your new first-year seminar.

Best regards,
Bernadette
