Dear Declan,

Today, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal to revise the PhD Philosophy. I am happy to report that the Panel unanimously approved the proposal.

The proposal will next be reviewed by the full ASC Curriculum Committee (ASCC). The last college curriculum committee meeting of the semester is this Friday, April 20, 9:00-10:30AM in 200 Bricker. It is customary to invite the appropriate departmental representative come talk to ASCC about a program request and answer any questions the committee members might have. Hopefully, you will be able to attend. If so, could you please be there at 9:30AM? Thanks for letting us know.

My best,
Bernadette
