Good morning Janice,

I wanted to remind you that the A&H1 Panel approved the course proposal for Italian 4401 on Tuesday, October 9 with one recommendation:

- Fix the following typos:
 - Course description: “Issue of language in Italy are complex...”
 - Grading rubric: “your support your position...”

I can adjust the course description to “Issue of language in Italy is complex...” before sending the course forward. Let me know if that adjustment is okay with you.

Best,
Shelby
