Good afternoon,

On Tuesday, October 9, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a proposal revise the AAEP PhD and course change proposals for Art Education 7000.10 and 7000.20. Please find below the Panel's feedback for these proposals.

- AAEP PhD approved with one recommendation:
 - Include the specialization sheet for the Cultural Policy and Arts Management specialization in the proposal.
- Art Education 7000.10 and 7000.20 approved with three recommendations:
 - The panel recommends clarifying how absences will affect grades for 7000.10.
 - Contact hours should be included on the syllabus.
 - Since the proposed changes include offering the course only as a 7-week course, other course length offerings should be removed from the offering information on the curriculum.osu.edu form.

Please let me know if it is okay for our office to change the length of course offerings in the curriculum.osu.edu form before advancing Art Education 7000.10 and 7000.20.

Should you have any questions about the feedback above, do not hesitate to contact Shari Savage (cc'd here), faculty Chair of the Arts and Humanities 1 Panel, or me.

My best,
Shelby
