Eric:

The proposal from the Department of Speech and Hearing Science to revise the **Speech and Hearing Science minor program** was approved by the Council on Academic Affairs at its meeting on November 28, 2018.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (July 2019).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact me.
