Lauren:

The proposal from the Department of Arts Administration, Education and Policy to revise the on-line art education program, leading to the Master of Arts degree, was approved by the Council on Academic Affairs at its meeting on March 20, 2019. Thank you for attending the meeting to respond to questions/comments.

No additional level of review/approval is required. This action will be included in the Council's next Annual Activities Report to the University Senate (July 2019).

Please keep a copy of this message for your file(s) on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Eric Bielefeld (.6) or me.
