Dear Julia and Sue,

On Wednesday, November 28, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed a course change request for Philosophy 3120 (existing course with GE Cultures and Ideas; drop team-teaching with Hebrew and adjust course content accordingly).

The panel unanimously approved the course change request with two recommendations:

- The correct name of the GE category is “Cultures and Ideas,” not “Culture and Ideas.”
- Assessment plan: The first expected learning outcome is assessed with a rubric that has 4 levels. The second expected learning outcome uses a rubric that has 3 levels. Request to use consistent rubrics for all GE expected learning outcomes. Though the Assessment Panel does not require the use of rubrics that have 4 levels, it prefers 4 levels over 3.

The course request will now be advanced to OAA and OUR.

Should you have any questions about this feedback, do not hesitate to contact Carmen Taleghani-Nikazm (faculty Chair of the A&H2 Panel; cc'd here), or me.

My best,  
Bernadette
