Dear Darla,

The Social and Behavioral Sciences Panel of the ASCC recently e-voted on a proposal to change the content (and title) of Geography 5100 and create new course Geography 4103.

Please find below the feedback of the Panel:

- GEOG 4103: unanimously approved with one recommendation: Page numbers for the readings would help students better understand the reading load and allocate their time accordingly.

- GEOG 5100: unanimously approved with two recommendations:
 - Provide contact hours on syllabus;
 - Provide a description of what is meant by 'engagement in class' since it counts towards the final grade.

Both courses will now be advanced to the next step.

Should you have any questions about the feedback of the Social and Behavioral Sciences Panel, do not hesitate to contact Christina Roup, faculty Chair of the SBS Panel (cc'd here), or me.

My best,
Bernadette
