Dear Professor McGraw,

The Social and Behavioral Sciences Panel of the ASCC recently e-voted on a proposal to create a new course Anthropology 5627.

The course was unanimously approved with the following recommendation:

1. Revise the course schedule, which currently includes 16 weeks of instruction, to only include 14 weeks on instruction. Additionally, the contact hours should be adjusted from 15 weeks to 14 weeks.

Anthropology 5627 will continue through the approval process.

Should you have any questions about the feedback of the Social and Behavioral Sciences Panel, do not hesitate to contact Christina Roup, faculty Chair of the SBS Panel (cc'd here), or me.

My best,  
Shelby
