Course Change Information

What change is being proposed? (If more than one, what changes are being proposed?)

In order to increase the efficiency of the course and be able to track instructor hours more carefully, each online course will have four recitation sections of 30 mins/week that students must sign up for. In addition, we are removing flexible credit. These courses will be 4 credits with no option for adjusting the credit hours. In other words, we are not using the individualized instruction model but rather an online course model that allows less flexibility and more commitment. This changes very little in the course. It just means that instead of flexible meetings with the instructor, students have to stay on track with the course. I added the 4-week option because we want to offer this intensively over the summer. I changed the number to indicate that this is not an II course.

What is the rationale for the proposed change(s)?

We found that instructor hours were being wasted on setting up individual appointments and, when students drop to fewer credit hours, that means we are not maximizing instructor teaching hours. In other words, we found a lot of wasted time among instructors.

What are the programmatic implications of the proposed change(s)?

(e.g. program requirements to be added or removed, changes to be made in available resources, effect on other programs that use the course)?

na

Is approval of the request contingent upon the approval of other course or curricular program request? No

Is this a request to withdraw the course? No

- I am still wondering if this should be labeled 'independent study'. What is the option for online courses? Also I had to remove that it is offered on the other campuses because they refuse to include it among their offerings. *(by Aski, Janice Marie on 01/23/2019 04:52 PM)*

GE Goals

Students demonstrate skills in communication across ethnic, cultural, ideological, and national boundaries, and appreciate other cultures and patterns of thought.

GE Expected Learning Outcomes

1. Students employ communicative skills (e.g. speaking, listening, reading, and/or writing) in a language other than their native language.
2. Students describe and analyze the cultural contexts and manifestations of the peoples who speak the language that they are studying.
3. Students compare and contrast the cultures and communities of the language that they are studying with their own.

Course description

Italian 1102.61 is an **online** Individualized Instruction version of the classroom course for Italian 1102.01. Italian Individualized Instruction is a self-paced, mastery-based program that is designed to mirror the courses offered in the classroom.

One complete course is four credits but unlike the classroom, you can complete four credits in one semester or spread them out over more semesters.

You will complete the majority of your learning on your own by completing the work described in the weekly syllabus, but you will make mandatory online appointments with your instructor as indicated on the weekly syllabus.

You are in charge of your learning in that you decide how many credits you would like to take in a given term, schedule appointment times and decide when you are ready to take tests.

The amount of work that you complete in your course depends on the number of credit hours that you are taking. Each credit hour corresponds to a given amount of work; there are 4 units if taking all 4 credit hours.

Units	<i>Avanti!</i> chapters
Unit 1 (1 credit hour)	Chapters 6 & 7
Unit 2 (1 credit hour)	Chapter 8
Unit 3 (1 credit hour)	Chapter 9
Unit 4 (1 credit hour)	Chapter 10

Course Learning Outcomes

At the end of 4 units of Italian 1102.61, you should be able to:

- pick out familiar words and phrases from Italian songs and movies and understand presentations by the instructor on Italian culture with frequent explanations/clarifications
- read and understand short, authentic texts and dialogues
- engage in brief conversations and complete simple tasks with your classmates, the instructor, and native speakers sympathetic to the communicative needs of foreign language learners
- write essays on topics related to reading or material used in class using the structures and vocabulary you have learned in both 1101 and 1102
- discuss competently (in English) a variety of topics related to Italian culture and society and make contrasts/comparisons with your native culture

Grading and Normal Progress

Course evaluation:

Online meetings	15%
Quiz	30%
Homework: Connect, TalkAbroad	45%
Oral exam	10%

Grading scale:

93–100: A	87–89.9: B+	80–82.9: B-
90–92.9: A-	83–86.9: B	79.9 or below: E

ONLINE MEETINGS: Online appointments with your instructor are mandatory and must be scheduled on Acuity at <https://iilc.as.me/>. Click on Italian to schedule a meeting with your instructor. Appointments will be conducted in Italian; English is allowed only during the last 5 minutes of each meeting and at the initial orientation meeting.

Meetings will take place on Carmen Connect or Skype and the duration of each meeting is shown on the weekly syllabus. At each meeting there will be a discussion of grammar and

vocabulary, conversation practice, development of cultural competency and discussion of the next meeting time. These meetings are the equivalent of a class, so do not miss any meetings. However, unlike the classroom course, you can reschedule a meeting once due to illness or other serious conflict for which you have documentation. Please notify instructor of any changes to the schedule by email. You will receive a zero if you miss a meeting after rescheduling it once.

ONLINE QUIZZES: You will take quizzes online on Connect (connect.mheducation.com.) During the entire quiz you and your surroundings will be **video-recorded via webcam and a screenshot of your computer screen will be captured by the Tegrity proctoring system.** Your instructor will be able to review all recordings afterwards. See the Appendix for details.

You can take the quiz after you completed the assigned homework, TalkAbroad session, self-test and mandatory online meetings. All work must be completed at the 80% or above level, and you have three chances to score 80% or above on a quiz. If you do not achieve at least 80% by the third attempt, we will ask you to drop the course to avoid receiving an E. Attempts must be taken with at least one day in-between attempts.

If you score 80% and you want to improve your score, you may take the second and third quizzes, with at least one day in-between attempts, and receive the highest score.

HOMEWORK: You must complete all the assigned online homework indicated on the weekly syllabus with a score of 80% or above before meeting with your instructor. Translators are strictly forbidden. You may only use an online dictionary such as wordreference.com to query one word at a time but not phrases, sentences or paragraphs. No proof-reading by native speakers, friends or tutors is allowed. Be aware that your instructor has extensive teaching experience and can tell immediately if a student is cheating by using these means of support. In this case your instructor will have you redo the assignment while being proctored. If it happens again, you will be reported to COAM.

If you are suspected of using a translator or outside sources of assistance during an exam, you will be reported to COAM.

- **Connect** assignments are on **connect.mheducation.com**. The Section Web Address needed to register for your specific section will be posted on Carmen. See the Appendix for details. A **Self-test** will be part of homework and it will let you test your knowledge before taking the quiz, as well as practice using the Tegrity video-proctoring system.

- One **TalkAbroad** session per unit is required. The conversation with a native speaker will be 10 minutes in duration and take place through **www.talkabroad.com** at the cost of \$7.50 per conversation. Sessions are intended as preparation for the oral exam, the topics for the conversation will be specified by your instructor on the TalkAbroad site and must be completed before taking the quiz. See Appendix for details.

ORAL EXAM: Each oral exam will be 5-8 minutes long. Instructions for each exam will be posted on Carmen.

Adding/dropping credits

The number of credits you are registered for can be increased or reduced only with the instructor's permission or your advisor's approval. During Contract week (week 10) you can make changes to the number of credits you are enrolled for. You can find the adjustment form at https://cllc.osu.edu/sites/cllc.osu.edu/files/ii_adjustto2022_4.pdf. The form must be signed and scanned to your instructor's email. After your instructor signs it, you must take it to your College's office for processing.

APPENDIX

Connect homework

All videos and the online workbook are on connect.mheducation.com. You need the Connect Access Code (purchased with your Avanti book or online) and the Section Web Address (provided on Carmen) in order to sign up to your section. You need a microphone and a webcam to complete activities in Connect, if your computer does not come with them.

Technical problems: After using different browsers or computers, updating Java, allowing pop-ups and consulting the troubleshooting handout on Carmen, if you are having technical problems related to your account, recording or computer issues, call (800) 331-5094, use the live chat line or visit www.mhhe.com/support

Be sure to complete ALL items in ALL the Connect activities before you take your quiz. If there are any unanswered items, any activities that are completely blank, or if incomprehensible responses are given for open-ended questions, points will be deducted accordingly. You will have three attempts to complete each assignment. After you have finished and submitted your first and second attempt, your score and any errors will be indicated. After your last attempt, the correct answers are displayed for all items. We strongly recommend that you go over the correct answers. Remember: practice makes perfect! especially when learning a foreign language.

TalkAbroad sessions

A TalkAbroad **section code** for your specific session will be posted on Carmen. Your instructor will provide the prompts for your conversation with a native speaker. You first will need to create a free TalkAbroad account, join the specific class section shown on Carmen, and purchase a conversation. Then you will choose a TalkAbroad conversation partner and select a date and time from his/her online schedule. [Note: In order to ensure a full 10 minutes to complete your conversation, it is critical that you are set up and ready to begin your scheduled appointment *on time*. Partners have appointments every 10 minutes and need to begin and end conversations on time, even if a student arrives late.] Your conversation will be recorded and photographed automatically, and the audio file will be available to you for review in your TalkAbroad account. Your instructor will access your recording, photograph, and time log through TalkAbroad.

Creating an account: To create an account you need to access the TalkAbroad website located at www.talkabroad.com. Find the link labeled "Get Started Now" or "Register Now". You may also access the registration page by clicking "login" and "Create new student account". It is important that you pay close attention when you register. An error will cause problems when connecting with a conversation partner in the future.

Common registration errors: Please be sure to double check your registration form before continuing. You can always make changes to your information by going to Manage Account on your homepage.

Email address: All confirmation emails will be sent here.

Time zone: Your conversation partner will likely be in a different time zone than you. This is used to calculate the correct time for your partner to call you.

If any of this data is incorrect you will likely experience problems when completing your assignments.

Joining your class section: Upon registering you will be prompted to enter your **section code** (see Carmen) and register for the correct class. It is important that you register for your section rather than click the link "I am studying outside of a formal class." If you are not registered for the correct section your professor will be unable to view or grade your completed conversations.

Click "Purchase Credits" and enter your credit card details. Select the language and the number of credits you desire to purchase. In this class you will purchase 2. Click "Select." After viewing the total payment click "Confirm Payment." Your credit card will be charged and your account credited.

From your homepage, click "Make Reservation." Take time to look at the conversation partners' profiles that include information such as their favorite movies and interests. Once you have selected a partner, take a look at his or her calendar. All times will be displayed in the time zone you selected when registering. Choose a time and confirm on the following page. Input your cell phone number if you would like to receive a text message reminder. Conversations may be canceled up to 12 hours prior to the scheduled time.

Setting up Tegrity to record online quizzes:

1. Click on 'Go to Lectures' from the Tegrity widget for their Connect section
2. Click on Course Tasks (left side).
3. Select Start a Test
4. You will receive a popup if the instructor has enabled the 'Show course testing policy when students start tests' option
5. If this is the first time you are using this feature, you will need to accept and run the **TegRunner.exe install file**
6. After the installation is complete you will see the Tegrity Recorder panel; use the tests in this panel to ensure hardware is functioning correctly
7. For your image, you should then display **identification to the webcam** to prove identity
8. Click Record
9. You will then access the exam through Connect, with the recording working in the background while they answer their questions

Once the exam is complete, you will need to click the **Stop** button in the Tegrity Recorder and choose to **Upload the video** in the background

RECITATION MEETINGS: Online recitation meetings with your instructor are mandatory and will take place on Carmen Connect. Appointments will be conducted in Italian; English is allowed only during the last 5 minutes of each meeting and at the initial orientation.

Weekly meetings will last 30 minutes and will include a discussion of grammar and vocabulary, conversation practice and development of cultural competency. These meetings are the equivalent of a class, so do not miss any of them. Please notify instructor of any changes to the schedule by email. You will receive a zero for a meeting if you miss it without a documented excuse.

You are allowed two “grace” absences, for which you do not have to provide documentation, and after that your course grade will drop by half a grade with any absence of any kind, excused or unexcused.

Only once during the semester you can make up a missed recitation meeting by doing one extra 30-minute TalkAbroad session.

ONLINE QUIZZES: You will take quizzes online on Connect at connect.mheducation.com. During the entire quiz you and your surroundings will be **video-recorded via webcam and a screenshot of your computer screen will be captured by the Tegrity proctoring system**. Your instructor will be able to review all recordings afterwards. See the Appendix for details.

ONLINE HOMEWORK: You must complete all the assigned online homework indicated on the weekly syllabus before you meet with your instructor. Translators are strictly forbidden; you may only use an online dictionary such as [wordreference.com](https://www.wordreference.com) to query one word at a time but

not phrases, sentences or paragraphs. No proof-reading by native speakers, friends or tutors is allowed. Be aware that your instructor has extensive teaching experience and can tell immediately if a student is cheating by using these means of support. In this case your instructor will have you redo the assignment while being proctored. If it happens again, you will be reported to COAM.

If you are suspected of using a translator or outside sources of assistance during an exam, you will be reported to COAM.

- **Connect** assignments are on **connect.mheducation.com**. The Section Web Address needed to register for your specific section is posted on Carmen. See the Appendix for details. A Self-test will be part of homework and it will let you test your knowledge before taking the quiz, as well as practice using the Tegrity video-proctoring system.

- One **TalkAbroad** session per unit is required. The conversation with a native speaker will be 10 minutes in duration and take place through **www.talkabroad.com** at the cost of \$7.50 per conversation. Sessions are intended as conversation practice and as preparation for the oral exam, the topics for the conversation will be specified by your instructor on the TalkAbroad site and must be completed before taking the quiz. See Appendix for details.

FINAL ORAL PROJECT: The final oral project will be 6-8 minutes in length. Instructions will be posted on Carmen.

FINAL EXAM: The final exam's time will be announced by your teacher. Final exam will include reading and writing activities.

APPENDIX

Connect homework: All videos and the online workbook are on connect.mheducation.com. You need the Connect Access Code (purchased with your Avanti book or online) and the Section Web Address (provided on Carmen) in order to sign up to your section. You need a microphone and a webcam to complete activities in Connect, if your computer does not come with them.

Technical problems: After using different browsers or computers, updating Java, allowing pop-ups and consulting the troubleshooting handout on Carmen, if you are having technical problems related to your account, recording or computer issues, call (800) 331-5094, use the live chat line or visit www.mhhe.com/support

Be sure to complete ALL items in ALL the Connect activities before you take your quiz. If there are any unanswered items, any activities that are completely blank, or if incomprehensible responses are given for open-ended questions, points will be deducted accordingly. You will have three attempts to complete each assignment. After you have finished and submitted your first and second attempt, your score and any errors will be indicated. After your last attempt, the correct answers are displayed for all items. We strongly recommend that you go over the correct answers. Remember: practice makes perfect! especially when learning a foreign language.

TalkAbroad sessions: A TalkAbroad **section code** for your specific session will be posted on Carmen. Your instructor will provide the prompts for your conversation with a native speaker. You first will need to create a free TalkAbroad account, join the specific class section shown on Carmen, and purchase a conversation. Then you will choose a TalkAbroad conversation partner and select a date and time from his/her online schedule. [Note: In order to ensure a full 10 minutes to complete your conversation, it is critical that you are set up and ready to begin your scheduled appointment *on time*. Partners have appointments every 10 minutes and need to begin and end conversations on time, even if a student arrives late.] Your conversation will be recorded and photographed automatically, and the audio file will be available to you for review in your TalkAbroad account. Your instructor will access your recording, photograph, and time log through TalkAbroad.

Creating an account: To create an account you need to access the TalkAbroad website located at www.talkabroad.com. Find the link labeled "Get Started Now" or "Register Now". You may also access the registration page by clicking "login" and "Create new student account". It is important that you pay close attention when you register. An error will cause problems when connecting with a conversation partner in the future.

Common registration errors: Please be sure to double check your registration form before continuing. You can always make changes to your information by going to Manage Account on your homepage.

Email address: All confirmation emails will be sent here.

Time zone: Your conversation partner will likely be in a different time zone than you. This is used to calculate the correct time for your partner to call you.

If any of this data is incorrect you will likely experience problems when completing your assignments.

Joining your class section: Upon registering you will be prompted to enter your **section code** (see Carmen) and register for the correct class. It is important that you register for your section rather than click the link "I am studying outside of a formal class." If you are not registered for the correct section your professor will be unable to view or grade your completed conversations.

Click "Purchase Credits" and enter your credit card details. Select the language and the number of credits you desire to purchase. In this class you will purchase 2. Click "Select." After viewing the total payment click "Confirm Payment." Your credit card will be charged and your account credited.

From your homepage, click "Make Reservation." Take time to look at the conversation partners' profiles that include information such as their favorite movies and interests. Once you have selected a partner, take a look at his or her calendar. All times will be displayed in the time zone you selected when registering. Choose a time and confirm on the following page. Input your cell phone number if you would like to receive a text message reminder. Conversations may be canceled up to 12 hours prior to the scheduled time.

Setting up Tegrity to record online quizzes:

1. Click on 'Recorded lectures' from the Tegrity widget for their Connect section
 2. Click on Course Tasks (left side).
 3. Select Start a Test
 4. You will receive a popup if the instructor has enabled the 'Show course testing policy when students start tests' option
 5. If this is the first time you are using this feature, you will need to accept and run the **TegRunner.exe install file**
 6. After the installation is complete you will see the Tegrity Recorder panel; use the tests in this panel to ensure hardware is functioning correctly
 7. For your image, you should then display **identification to the webcam** to prove identity
 8. Click Record/Start a test
 9. You will then access the exam through Connect, with the recording working in the background while they answer their questions
- Once the exam is complete, you will need to click the **Stop** button in the Tegrity Recorder and choose to **Upload the video** in the background
