Dear Andrew, Reanne, and Townsend,

On Friday, February 15, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee considered a proposal for a new undergraduate certificate in Diversity, Equity, and Inclusion.

The Panel unanimously approved the course with five contingencies:

- Request concurrence from the College of Social Work.
- Include desired implementation semester.
- Identify distance learning vs in-person courses. This will be particularly useful for students who are not currently students at OSU (post-bachelor degree students) and who may find it practical to take on-line classes.
- P. 3 Correct prerequisite. (In two instances, the word is spelled “perquisite.”)
- Provide prospective enrollment under IV: that is, expected enrollment in the first year & how much that number is expected to increase in the next 4 years or so.

I will return the proposal via curriculum.osu.edu in a minute to enable the Department to address the points above.

If you have any questions about this feedback, do not hesitate to contact Christina Roup, faculty Chair of the SBS Panel (cc'd here), or me.

Best,
Bernadette
