Dear Mike and Alisa,

On Monday, February 25, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a request to offer existing course Psychology 3313 100% in distance learning format and two requests for new courses Psychology 5189 and 5270.

Please find below the feedback of the Panel:

- [Psychology 3313](#) (request for DL delivery of existing course): unanimously approved with two recommendations
 - On first page, identify the syllabus as being for Distance Learning.
 - Clarify that office hours are online.

- [Psychology 5189](#) (new course): unanimously approved with one contingency and one recommendation
 - Contingency: Request to change the number of the course: x189 is a number set aside for field experience & field work.
 - Recommendation: Reading list should be provided.

- [Psychology 5270](#) (new course): unanimously approved with two recommendations
 - P. 2: Paragraph on class preparation and required assignments: Remove reference to quarters.
 - P. 3: Paragraph on grades: “The two exams are worth 100 points each (100 points total), the total value of the response papers is 100 points (10 points per paper), the research review is worth 25 points total, and the term paper is worth 100 points.” The total for the two exams should be 200 points.

I will return 5189 via curriculum.osu.edu in a minute to enable the Department to address the feedback of the Panel. As for 3313 and 5270, they will now advance to the next level.

Should you have any questions about this feedback, do not hesitate to contact Christina Roup, faculty Chair of the SBS Panel (cc'd here), or me.

Best,
Bernadette
