Dear all,

The Arts and Humanities 1 Panel of the ASC Curriculum Committee recently e-voted on a request to change the fixed 3 credits Russian 5460 to flexible 3-4 credits.

The Panel unanimously approved the request with two contingencies:

- More information about the extra credit should be provided. In addition to the 1 hr extra meeting per week, what extra work will be completed? What assignments will be required for the students who will work with the materials in Russian. For every hour of class, approximately 2 hrs of homework should be assigned.
- How will the grading percentage system be configured for students registered for 4 credits? How much do the extra sessions count toward 100% ?

I will return the course request via curriculum.osu.edu in a minute to enable the department to address the feedback above.

Should you have any questions about this feedback, please do not hesitate to contact Shari Savage (faculty Chair of the Arts and Humanities 1 Panel; cc'd here), or me.

All best wishes,  
Bernadette
