Dear all,

On Friday, March 8, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a new course proposal for Russian 5150.

The Panel unanimously approved the request with four recommendations:

- D- should not be included in the grading scale.
- The panel recommends placing the course policies, especially the attendance policy, before the course schedule.
- The panel recommends only selecting the course length options on curriculum.osu.edu that the department intends to use rather than selecting all course length options.
- The syllabus does not indicate if the course meets two times or three times a week. 8 absences a semester may be too many if the course meets twice a week.

Please let me know if you would like me to adjust the course offering length on curriculum.osu.edu for Russian 5150 before advancing.

Should you have any questions about the feedback of the Panel, please feel free to contact Shari Savage (faculty Chair of the A&H1 Panel; cc'd on this e-mail), or me.

Best wishes,
Shelby
