Dear Professor Tennant,

On Tuesday, April 9, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed your proposal for a new first-year seminar, "Trauma: Interdisciplinary Perspectives."

The Panel did not vote on the proposal as they would like the following addressed:

- The panel feels they do not have the information needed to evaluate the course based on the revised syllabus provided. The syllabus does not include a topical outline or list of required readings, which are necessary to be able to evaluate the proposal.

Should you have any questions about this feedback, do not hesitate to contact Shari Savage (faculty Chair of Arts and Humanities 1; cc'd here), or me.

Please send a revised syllabus to me or Bernadette Vankeerbergen (cc'd here) by Friday afternoon (4/19) or Monday morning (4/22) at the latest to be included on the last Arts and Humanities Panel agenda of the academic year.

Best,
Shelby
