Dear Glenn and Patricia,

Thank you again for coming to the ASCC meeting last Friday. The certificate proposal was sent back to your queue in curriculum.osu.edu so that a revised version can be uploaded. The two contingencies of the committee were:

1. revise assessment plan;
2. clarify who can take the Linguistics and Comparative Studies electives taught in English.

My understanding is that for point 1 Janice Aski is willing to provide help/feedback. As soon as we receive the revision & Meg Daly indicates that the two contingencies have been addressed, we will advance the proposal to CAA. They usually meet a couple of times over the summer.

Please let us know if you have any questions.

Many thanks & all the best,
Bernadette
