Good afternoon,

On Tuesday, April 9, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a new course proposal for German & Scandinavian 2310.

The Panel unanimously approved the request with two recommendations:

- The GE goal provided on page 1 of the syllabus for the GE Literature category is the language for the GE Cultures and Ideas category. The goal should say: Students evaluate significant texts in order to develop capacities for aesthetic and historical response and judgment; interpretation and evaluation; and critical listening, reading, seeing, thinking, and writing.
- The rubrics provided for GE assessment in Appendix B and Appendix C should have consistent levels to allow for comparison of ELO achievement. Appendix B has 4 levels of achievement and Appendix C has 5 levels of achievement. The Panel recommends using 4 levels of achievement for both ELOs.

German & Scandinavian 2310 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Shari Savage (faculty Chair of the A&H1 Panel; cc'd on this e-mail), or me.

Best wishes,
Shelby
