Dear Hanna,

On Tuesday, March 26, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a request to make changes to ASC 2121.

The Panel unanimously approved the request with two contingencies:

- The current and the revised syllabus include this statement: "The workload in this course is designed in accordance with the policy set forth by the OSU Board of Trustees: (1) One credit hour shall be assigned for each three hours per week of the average student's time, including class hours, required to earn the average grade of "C" in this course." However, the Panel and College do not know such a rule. Please see credit hour guidelines established by the Ohio Department of Higher Education in the ASC Curriculum and Assessment Operations Manual https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_Curriculum_and_Assessment_Operations_Manual_2018-19.pdf pp. 16-17.
- What is the role of the instructor in the course? It is not clear how the instructor is present in the course.

I will return the course to the initiator queue via curriculum.osu.edu so that the unit can address the feedback of the Panel.

Should you have any questions about this feedback, please contact Shari Savage (faculty Chair of the Arts and Humanities 1 Panel; cc'd here), or me.

My best,
Bernadette
