Dear Yoon,

On Thursday, April 11, the Natural and Mathematical Sciences Panel of the ASC Curriculum Committee reviewed a proposal for new course Statistics 5730.

I am happy to report that the Panel unanimously approved the course with one small recommendation (for when the course is taught): Recommend using 16-point font for disability statement.

The course will now be advanced to the Graduate School and OAA.

Should you have any questions, please feel free to contact Chuck Daniels (faculty Chair of the NMS Panel; cc'd on this e-mail), or me.

All best wishes,
Bernadette
