Jennifer:

The proposal from the Department of French and Italian to establish a new undergraduate major program in French and Francophone Studies was approved by the Council on Academic Affairs at its meeting on November 6, 2019. Thank you for attending the meeting to respond to questions/comments.

This proposal will now be sent to the Ohio Department of Higher Education for state-level approval. I will work with the College of Arts and Sciences on that process. The major cannot be offered until that level of approval has occurred. I expect it to be complete early in 2020.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Co-Chair of the Council, Professor Jennifer Higginbotham (.37) or me.

Congratulations on the successful completion of this important stage in the review/approval process.
