Good afternoon,

On Tuesday, April 23, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a new course proposal for WGSS 3280.

The Panel unanimously approved the request with one recommendation:

- Since the suggestion to take WGSST/English 2282 is not an official prerequisite, the panel recommends placing this in the course description and/or in the syllabus rather than in the prerequisite section of the curriculum.osu.edu form. (e.g. "Taking WGSST/English 2282 in addition to WGSST 3280 would enhance the experience of this course.")

If you would like to adjust the prerequisite and the course description, I can do so before advancing the course.

Should you have any questions about the feedback of the Panel, please feel free to contact Shari Savage (faculty Chair of the A&H1 Panel; cc'd on this e-mail), or me.

Best wishes,
Shelby
