---

Hello everyone,

On Friday, April 26, the Social and Behavioral Sciences Panel of the ASCC reviewed a proposal to create a new course Anthropology 7004.

The Panel unanimously approved the course contingent on the Department of Anthropology requesting concurrences from Geography & EEOB.

It was also noted that on the form in curriculum.osu.edu, the number of the cross-listed ENR course is incorrectly listed as 7704. This should be 7004. Please correct that typo.

I will return Anthropology 7004 via curriculum.osu.edu in a moment so that the department can address the feedback of the Panel.

Should you have any questions, do not hesitate to contact Christina Roup, faculty Chair of the SBS Panel (cc'd here), or me.

Best,  
Bernadette
