Dear Lisa and Gabrielle,

On Wednesday, September 4, the Arts and Humanities 2 Panel reviewed a request to merge History of Art 5311 and 5312 into a revised 5312 and merge History of Art 5321 and 5322 into a revised 5322.

The Panel unanimously approved both requests with some recommendations:

- History of Art 5312:
 - Form in curriculum.osu.edu: Does the department want to add History of Art 5311 as an exclusion?
 - Pp. 1-2: Reference to two mid-term exams. However, pp. 4-5 show that there is one midterm and one final.
 - Recommend using the standard academic misconduct statement & disability statement. See <https://ascas.osu.edu/curriculum/asc-syllabus-elements>
 - Include information on where books are available.

- History of Art 5322:
 - Same comment about two mid-terms.
 - Here too, recommend using the standard academic misconduct statement & disability statement.
 - Same comment about where books are available.

Please let me know whether you would like to add the prerequisite for HoA 5312. I can do that before I advance the course. I will keep the course in my queue until I hear from you.

As for History of Art 5322, it will now advance to the Graduate School and OAA.

Should you have any questions, please do not hesitate to contact Luke Wilson, faculty Chair of the Arts and Humanities 2 Panel (cc'd here), or me,

Many thanks,
Bernadette
