Dear Jonathan and Rachel,

On Wednesday, September 4, the Arts and Humanities 2 Panel reviewed a request to renumber Spanish 4461 to 5461 (i.e., open up to graduate students as well).

The Panel unanimously approved the request with two contingencies and two recommendations:

- Contingencies:
 - Adjust prereq on the form in curriculum.osu.edu. It contradicts the information on p. 2 of the new syllabus.
 - Include the updated curriculum map. The document that provides a rationale for the number change mentions that the map is uploaded but in actuality it is not.

- Recommendations:
 - P. 7 of syllabus: D- and E- do not exist at Ohio State.
 - P. 9: Incorrect disability statement is included. Furthermore, Pomerene Hall has not been the location for ODS for several years. See <https://ascas.osu.edu/curriculum/asc-syllabus-elements>

I will send back the course via curriculum.osu.edu in a minute to enable the department to address the feedback above.

Should you have any questions, please do not hesitate to contact Luke Wilson, faculty Chair of the Arts and Humanities 2 Panel (cc'd here), or me.

Many thanks,
Bernadette

Bernadette Vankeerbergen, Ph.D.
