Dear all,

On Wednesday, September 4, the Arts and Humanities 2 Panel of the ASC Curriculum Committee (ASCC) reviewed a request to create a new graduate minor in History.

The Panel members were very supportive of the new program. The proposal was unanimously approved with three small contingencies:

- Form in curriculum.osu.edu: Table with credit hour explanation: Minimum and maximum credit hours are both said to be 10. That cannot be/is incorrect for the maximum credit hours.
- Please include some information about how a student would be able to reach 10 credits (since most courses at OSU are 3 credits).
- Add information on prospective enrollment in the minor.

I will send back the course via curriculum.osu.edu in a minute to enable the department to address the feedback above. Could you please make the corrections in the next day or two and then send the proposal back to the college level? That way, we hope to be able to put this proposal on the agenda of the next ASC Curriculum Committee, which meets at the end of next week. (Agenda will go out this week.)

Should you have any questions, please do not hesitate to contact Luke Wilson, faculty Chair of the Arts and Humanities 2 Panel (cc'd here), or me.

Many thanks,
Bernadette
