Hello Jennifer,

On Wednesday, September 18, the Arts and Humanities 2 Panel reviewed new course French 4402.

The Panel unanimously approved the course with two contingencies, which I here list:

- Syllabus:
 - P. 1: The word “homosexual” is dated and carries some derogatory connotations. Prefer “LGBTQ+”. Request to also correct this on the form in curriculum.osu.edu under “Content topic list.”
 - Request to use complete standard disability statement: see <https://ascas.osu.edu/curriculum/asc-syllabus-elements>
- The curriculum map has not been updated to include the new course. Please include the course and indicate which program goal(s) and levels the new course is designed to meet.

I will return the course via curriculum.osu.edu in a moment so that you can address the points above.

Should you have any questions, please do not hesitate to contact Luke Wilson, faculty Chair of the Arts and Humanities 2 Panel (cc'd here), or me.

Thank you,
Bernadette
