Dear Shannon and Jackie,

Today, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed and unanimously approved a revision to the WGSS BA and undergraduate minor.

The proposal will now move on to the full ASC Curriculum Committee (ASCC), which meets Friday of next week. Shannon, since you are already coming to the ASCC with Joe Ponce to talk about the deactivation of the Sexuality Studies BA, could you stay after that to discuss the revision to the WGSS BA and minor? By the way, one question that is likely to come up at ASCC pertains to how the department will advise students during the transition period from the current major to the revised major (what is the transition plan?). Jackie, please let us know if you will be coming as well.

I am including Carmen Taleghani-Nikazm (faculty Chair of the Arts and Humanities 1 Panel), Garrett Heysel, Steve Fink, and Alison Crocetta (faculty Chair of the full ASC Curriculum Committee).

Many thanks,
Bernadette
