Marcus:

The proposal to change the language requirement for the Undergraduate International Studies major leading to the Bachelor of Arts degree – specifically giving students the option of fulfilling the language requirement either through the completion of a minor or through two years of language study in a single language - was approved by the Council on Academic Affairs at its meeting on October 16, 2019. Thank you for attending the meeting to respond to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (July 2020).

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Co-Chair of the Council, Professor Jennifer Higginbotham (.37) or me.
