Angela:

The proposal from the Department of Slavic and East European Languages and Cultures to establish a graduate specialization in Russian for the Professions within its Master of Arts degree program, was approved by the Council on Academic Affairs at its meeting on December 2, 2020. Thank you for attending the meeting to respond to questions/comments.

No additional level of internal review/approval is necessary. This action will be included in the Council's next [Annual Activities Report](#) to the University Senate (July 2021).

The Office of the University Registrar will contact you if there are any implementation issues.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions please contact the Chair of the Council, Professor Kevin Evans ([Kevin.Evans@osumc.edu](mailto:Kevin.Evans@osumc.edu)) or me.

Randy
