Kunimoto Study Abroad Course Syllabus[1].docx;

Hello Lisa;

This looks like a great program and I am pleased to offer KSA's concurrence. Let me know if Professor Kunimoto would like information on contemporary sites as I traveled with a KSA group to Japan recently.

Best,
Mike

Subject: Request for course concurrence for Arts of Japan (study abroad)

Hi, Mike —

I'm seeking a concurrence for a proposed study abroad course, The Arts of Japan, which we're hoping to offer beginning this May. OAA is requesting an official concurrence from KSA, though I think this can be in the form of a simple email. I've attached the syllabus. Please let me know if you need anything else.

Thanks,
Lisa
