Dear Professor Thomas,

On Monday, October 7, the Natural and Mathematical Sciences Panel of the ASC Curriculum Committee reviewed a course change request for Biochemistry 7766.01.

The Panel unanimously approved the proposal with the following recommendation:

- Include the required disability and academic misconduct statements, which can be found in the Curriculum and Assessment Operations Manual.

Biochemistry 7766.01 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Harald Vaessin (faculty Chair of the NMS Panel; cc'd on this e-mail), or me.

Best wishes,
Shelby
