Jeff and David:

The proposal from the College of Arts and Sciences to establish an embedded undergraduate certificate (Type 1b) in Food, Culture, and Society, was approved by the Council on Academic Affairs at its meeting on February 5, 2020. Thank you for attending the meeting to respond to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's next Annual Activities Report to the University Senate (July 2020).

The Office of the University Registrar will contact you with any implementation matters.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Co-Chair of the Council, Professor Jennifer Higginbotham (.37) or me.

Randy
