Dear Jeff,

On behalf of the ASC Curriculum Committee, I want to thank you again for coming to the meeting this morning and answering the committee's questions. As you know, the new certificate was unanimously approved with one contingency, namely: please include some information in the proposal about creating a steering committee for the certificate.

In a minute, I will send back the proposal via curriculum.osu.edu. if you could supply Elizabeth with a revised proposal, she will then be able to upload that in the curriculum portal.

Let us know if you have any questions.

My best,
Bernadette
