Dear Professor Cole,

On Monday, November 18, the Natural and Mathematical Sciences Panel of the ASC Curriculum Committee reviewed a course change request for Molecular Genetics 5300. The Panel unanimously approved the request.

Molecular Genetics 5300 will continue through the approval process.

Should you have any questions about the feedback of the Panel, please feel free to contact Harald Vaessin (faculty Chair of the NMS Panel; cc'd on this e-mail), or me.

Best wishes,  
Shelby
